

TILE & GROUT CLEANER

DESCRIPTION

A carefully compounded formulation of the selected chemicals for efficient cleaning of grout and tile. Cleans by chemical action without the aid of harsh abrasives.

Clings to vertical surfaces for maximum penetration. Eliminates dirt, grease, grime, soap scum, hard water stains and discolorations. Restores badly soiled tile and grout to original beauty.

Safe on ceramic tile, plastic and metals except zinc and aluminum. Cleans soiled grout without loosening tiles.

Recommended for commercial, institutional, educational and industrial use to clean and maintain such tiled areas as: Shower Stalls, Bath Rooms, Tub Enclosures, Locker Rooms, Powder Rooms, Kitchen Walls, Splash Panels, Counter Tops.

Do not use on marble, non-ferrous metals, baked enamel or painted surfaces.

DIRECTIONS

Squeeze container to apply cleaner onto soiled area. Spread and allow to penetrate for 3 to 5 minutes. Clean tile with sponge or cloth. Clean grout with a stiff bristle. Rinse surface thoroughly.
