

# NATURAL CITRUS DEGREASER

## DESCRIPTION

This product is an excellent degreaser on solvent based spots and stains. It emulsifies easily in water. It can be used regularly to keep drains deodorized and free flowing.

## DIRECTIONS

**DEODORIZING:** Add 4 oz. to a gallon of cold water to control odors around garbage disposal areas, septic tanks, kennels, etc. Can be applied by drip method of fogging around sewage treatment plants.

**DECLOGGING DRAINS:** Use weekly to keep drains free flowing and sanitary. Pour 8 oz. down drain, Let stand 10 minutes, flush drain with hot water. If drain remains slow, repeat above every 2 to 3 days.

**DEGREASING:** For general cleaning and degreasing, use 4 oz. to a gallon of water. Let stand several minutes and then rinse thoroughly. Use dilution may vary with severity of soil and grease.

### COLD PARTS CLEANER

This product can be used in recirculating cold parts washers, for cleaning equipment, machinery, small parts, etc. where petroleum solvents pose safety, disposal, pollution and toxicity problems. Numerous uses can be found where the strength of a petroleum solvent is needed without the disposal, pollution and toxicity problems. Mix 1 part cleaner to 10 parts water to equal cleaning power of most petroleum based solvents.

### GLUE, GUM, BUILD-UP REMOVER

Apply to tanks, machinery, floors, etc., that have build-up of glues, gums, baked on greases, or other built-up soils. Let set for several minutes then rinse with warm water. (Note: test painted surfaces before using.)

## APPLICATIONS

### Product for Use In:

- >Drains
- >Down Pipes
- >Septic Tanks

## SPECIFICATIONS

Color .....	Orange
Fragrance .....	Citrus
pH Range.....	N/A
Dilution.....	4 - 13 oz / gal
Density.....	7.20

## PACKAGING

<b>ITEM#.....</b>	<b>SIZE</b>
700450-41.....	4/1 Gal.
700450-05.....	5 Gal.
700450-55.....	55 Gal.
