

BUTYLESS DEGREASER CLEANER CONCENTRATE

DESCRIPTION

The cleaner of the future - a catalytic cleaner that can be used on a variety of surfaces! This concentrate will clean and deodorize simultaneously in one easy operation. Recommended for use where water soluble solvent-type cleaners cannot be used and where all greasy, oily soils exist.

NOTE: Highest dilution is recommended when used on aluminum with an immediate and thorough rinse of 20 parts water to 1 part acetic or other organic acid. Do not use undiluted.

DIRECTIONS

- **For routine maintenance:** Use 1 part concentrate to 100 parts water.
- **For light cleaning:** Use 1 part concentrate with up to 50 parts water.
- **For general cleaning:** Use 1 part concentrate with 25 parts water.
- **For heavily soiled surfaces:** Use 1 part concentrate with 10 parts water.
- **For exceptionally stubborn soils:** Repeat cleaning procedure at a more concentrated dilution. Rinse thoroughly after each use.

USE IN:

- Food Processing Plants
- Farms
- Lounges
- Schools
- Offices
- Garages
- Factories
- Nurseries
- Stores
- Meat Processing Plants
- Restaurants
- Golf Courses
- Clinics
