

GLYCOL AIRE FRESHENER APPLE BLOSSOM

DESCRIPTION

Ready to use! When used regularly will leave a nice, floral scent. Can be used wherever offensive odors are found!

DIRECTIONS

BATHROOMS: After cleaning fixtures spray on toilet bowl, seat, lavatory or shower stall.

KITCHENS: Spray garbage receptacles periodically to eliminate odors. Spray cupboards, closets, refrigerators, storage lockers, etc., regularly to keep fresh and sweet smelling.

HOUSEHOLD CLEANING: In household cleaning, spray a small amount on rugs, draperies, etc. to remove stale odors. Area will have a fresh, clean scent.

DEODORIZING: Spray into the area atmosphere to remove obnoxious odors such as stale smoke, cooking odors, etc. Use often to keep home smelling fresh and clean.

AS A DEODORANT: First thoroughly clean surface to be deodorized. Use product undiluted to wipe surface or cover with a spray mist. If sprayed, be sure all surfaces are thoroughly wet with spray. This will leave sick rooms, bathrooms, any area with lingering odors, smelling refreshed and clean for hours.

OTHER USES: Spray lightly on household pets to remove animal odors. Use on storage closets, linens, draperies, etc. to keep material fresh and sweet smelling. Daily spraying in hotel lobbies and rest rooms will leave air pleasant all day.

CAUTION: Do not spray directly on painted or varnished surfaces.
