

# FURNITURE POLISH WITH LEMON

## DESCRIPTION

Cleans, polishes, dusts, and protects. Use on all types of furniture, tabletops, chrome, stainless steel, brass, plastic and formica, ceramic and plastic tile, vinyl and leather-like upholstery.

## DIRECTIONS

### SHAKE WELL BEFORE USE.

1. Spray about 10 inches from surface to be polished. Use sparingly, applying a light coat of polish. Allow product to set for a few minutes, polish polishing.
2. Polish surface with a soft, dry, clean cloth. This will leave a brighter finish on the polished surface.
