

# LAVENDER CLEANER CONCENTRATE

## DESCRIPTION

This powerful cleaner is a combination of high grade detergents, emulsifiers and wetting agents. This product can be used in hard or soft water. It does not contain corrosives or abrasives.

Highly recommended for everyday cleaning.

This very efficient general purpose cleaner provides easy and economical care for large areas of flooring in a minimal amount of time. Use this product for daily maintenance in schools, institutions, office buildings and much more.

Clean with a damp mop, or use in an automatic floor scrubbing machines. It is effective in removal of moderate or heavy soil from floors, and most hard surfaces not harmed by water.

## DIRECTIONS

For daily maintenance of floors and light soils: Use of 2 ounces of product per gallon of water.

For moderate soils: Use 3-4 ounces of product per gallon of water.

For heavy soils: Use 10-12 ounces of product per gallon of water. Rinse surfaces thoroughly after application.

This cleaner is effective on painted surfaces, walls, woodwork, counters, tables and work surfaces. Rinsing is recommended. Use with a trigger sprayer for cleaning small areas and wipe clean with a damp cloth.
