

GLASS CLEANER

DESCRIPTION

A versatile product, ideal for the cleaning and maintenance professional. Windows, glass, windshields, mirrors, displays, counters, Formica® and more are easily cleaned of dirt, grease, oil, smudges, fingerprints, lipstick and other stubborn deposits.

Note: Not recommended for use Plexiglas®

DIRECTIONS

1. Use with a sprayer or atomizer.
2. Wipe with a clean, lint-free cloth or use a squeegee.
3. Polish out the surface with another clean wiping cloth to prevent accidental streaking or reapplication of deposits to the surface.
