

# STEAM & EXTRACTOR CLEANER

## DESCRIPTION

For carpet cleaning with steam or extraction equipment. Fortified with sudless solvents, detergents, and brighteners.

- STEAM & EXTRACTOR CLEANER contains special penetrating agents to loosen and suspend embedded grime for fast, complete removal.
- STEAM & EXTRACTOR CLEANER is formulated to leave no residue and has built-in defoaming agents.

## DIRECTIONS

1. Vacuum carpets or upholstery thoroughly.
2. Check fabrics for colorfastness.
3. Dilute **STEAM & EXTRACTOR** according to dilution chart in solution tank.
4. Operate wand or extractor in slow, steady strokes. High-traffic areas may require multiple passes.
