

# ECONO RUG & UPHOLSTERY SHAMPOO

## DESCRIPTION

Pleasantly scented, foaming carpet and upholstery cleaner that removes all types of common soils. Dries to a powder so residue and trapped soil can be vacuumed away.

## DIRECTIONS

### CARPETS AND RUGS

1. Vacuum carpet or rug prior to using concentrate.
2. In an inconspicuous area, check for colorfastness.
3. Pre-spot if necessary.
4. Using dilutions chart, prepare concentrate solution. Shampoo carpet or rug with minimum feeding. If a wet/vac is available, extracting moisture is recommended.
5. When carpet or rug is totally dry, vacuum again.

### UPHOLSTERY

1. In an inconspicuous area, check for colorfastness.
2. Pre-spot if necessary.
3. Using dilutions chart, prepare concentrate solution. Shampoo with soft brush using foam or solution in a rotary motion. When solution is being applied avoid excessive wetting. Extract excess moisture with power vacuum or clean cloths.

### DILUTIONS

LIGHT SOIL . . . . .1-32 . . . . .(4 oz. per gallon water)  
MEDIUM SOIL . . . . .1-16 . . . . .(8 oz. per gallon water)
