

SPOT & STAIN REMOVER READY-TO-USE

DESCRIPTION

Removes stains and spots from most washable fabrics, linens, upholstery and carpets.

Use with confidence to eliminate stains caused by foods, beverages, medicines, blood, grease, grime, shoe polish, crayons, grass stains, pet stains, and much more.

DIRECTIONS

Apply liberally to stained area and agitate well with fingertips. Blot area with absorbent cloth. Repeat process if necessary. Allow the area to dry completely. Can be used on most colorfast fabrics, upholstery, leather, plastics, and vinyl wallpaper. Do not use on silk, velvet or other surfaces harmed by water.

NOTE: Will not remove indelible ink or dye or any stain which has discolored or bleached fiber.

Before using, test in an inconspicuous area, to check for colorfastness. Delicate fibers such as velvet, silk, satin, etc. should be handled with caution.
