

PREMIUM LOTION HAND SOAP

DESCRIPTION

Soothing to rough and irritated skin. May be used instead of powders, creams or bar soap. After using, Premium Lotion Hand Soap will leave the skin with a soft and pleasant feel.

DIRECTIONS

Apply to hands, add water slowly and work up a lather, then rinse with water. Dry thoroughly.

Premium Lotion Hand Soap may be used in the shower. Wet skin and apply to a cloth or sponge. Work up a lather and bathe as usual. Rinse and dry skin thoroughly.
