

# NATURAL CITRIC BOWL & BATHROOM CLEANER

## DESCRIPTION

Contains natural acid, the same acid that's found in citric fruits. Produces cleaning power to remove soap scum, rust and water spots. Provides two products in one - a powerful cleaner as well as a deodorizer. The bio-enzymatic action is a natural digester eliminating odors, leaving a fresh scent. It's clinging action provides for a longer contact time and for better, and thorough cleaning.

## DIRECTIONS

**URINALS:** Wet swab with cleaner and apply cleaner liberally to inside of urinal. Swab urinal, concentrating under flush rim. Rinse thoroughly, then flush.

**TOILET BOWLS:** Forcing over trap, use swab to remove as much water as possible. Generously pour cleaner into bowl and onto swab. Thoroughly clean inside toilet bowl area. Concentrate under flush rim, where water outlets are located. Rinse swab and flush.

**FOR DAILY CLEANING** of bathtubs, shower stalls, wash basins, drinking fountains, coffee urns, sterilizers, stainless canister tops. Dilute with 3 parts water and apply with swab. Immediately rinse thoroughly with water. Cleaner should not remain on fixtures or surface more than 2 minutes.

**PORCELAIN ENAMEL:** Dilute with 3 parts water. Use only if surface is not cracked or chipped.

**DO NOT USE ON PORCELAIN ENAMEL THAT IS NOT ACID-RESISTANT.** Apply with swab. Flush immediately with clean, cold water.
